

106. OFFICER Eugene Jones of the Auburn Area was contacted by a distraught woman. Her husband had gone fishing in the American River Canyon the day before and had not been heard from. Air 23 **Pilot Tim Larson** located the stranded fisherman, who was trapped between the steep terrain and the American River. H-30 **Pilot Greg Bakker** and **Flight officer/paramedic Kym Mitchell** performed the rescue, hoisting the fisherman off the rock to safety. He was checked over and transported back to the Auburn airport where he was re-united with his wife.
